Agenda

Aug 14 (WED)

The Sixth World Starch Industry Congress and Green Manufacturing Technology Summit Forum 2019

08:30-18:00

- **The Sixth World Starch Industry Congress and Green Manufacturing Technology Summit Forum 2019**
- 1. Leaders of relevant ministries and commissions of the state will systematically introduce and interpret the current situation, system and policy tools of green manufacturing technology application in related industries.
- 2. Focusing on the theme of "Innovation and Application of Green Manufacturing Technology", academicians of the Chinese Academy of Engineering, leaders of industry associations, authoritative experts of scientific research institutions, and representatives of key enterprises at home and abroad, will discuss how to optimize industrial structure, enhance industry competitiveness and achieve high-quality and sustainable development with the help of biotechnology.
- 3. Leading enterprises in the industry will be invited to communicate with participants on the theme of "Green Manufacturing, Common Development", combining with their own green development practices.

—— We sincerely invite you to this annual industrial event! ——
